DIRECT DEBIT

With giropay the consumer simply selects their own bank and authorizes the payment. The funds are instantly debited from their bank account.

NO RISK

Merchants have absolutely no risk. Each transaction must be authorized by the consumer, so there are no chargebacks, no reserves and the funds are guaranteed!

INCREASED SALES

In 2008 giropay accounted for more than 190 million Euros in transaction volume. Merchants that accept giropay on their website are guaranteed to increase their sales.

THE MARKET

The German market is over 82 million people strong and 65% of the population does not have a credit card. Germans use giropay for online transactions because it is secure, convenient and easy to use.

2000Charge® is an Award-Winning Alternative Billing Solutions Provider that specializes in bringing the latest technological advanced payment platforms to merchants worldwide.

Every month an average of 37,000 new users start using giropay

Created by Germany's leading financial institutions to support eCommerce activity

With a focus on safety and convenience, giropay represents Germany's primary online payment method for bank clients. With each giropay purchase, the funds are instantly debited from the consumer's bank account and the merchant is guaranteed to receive their funds.

With a market size of over 82 million people, giropay represents a significant portion of Germany's online payment traffic. 2000Charge provides this popular service to its merchants, because it gives their German customers a quick, easy to use and secure online method to pay for goods and services via their own bank account.

With giropay merchants are guaranteed their funds and they will greatly benefit from not having to deal with chargebacks or reserves. In addition, giropay is an excellent alternative payment method that can be offered to those consumers that do not have or desire to use a credit card online.

Consumers feel comfortable and secure because their payment is facilitated by their own bank. Consumers do not have to sign up for the service, they simply need to have a bank account and select the giropay method upon checkout.

With 2000Charge, each step of a giropay transaction is conveniently posted in the German language and backed up by our worldwide customer support service. As with all of the 2000Charge billing services, merchants will have access to admin pages and a variety of reporting tools to manage their transactions.

Take advantage of this no risk, guaranteed funds payment service and sign up for giropay today!
